Come join the fun on Monday Nights from 8 - 10 pm on "The South Shore's Radio Station" 95.9 FM WATD in Marshfield. "South Shore Live" immediately follows the highly successful and popular show, "Monday Night Talk with Senator Bob Hedlund".

Join hosts Stan Blackmur, Laura Noonan, Alan Kearney and Tim Curry as they explore who to know, where to go and what to do, discussing the many facets of living here on the South Shore in a live interview format. The hosts have established an interesting balance of knowledge of topics and their insight with guests featured on the program.

The two hour show is nicely balanced focusing on local people doing interesting things here on the South Shore. Artists, authors, business owners, large event planners, restaurant owners, chefs and members of groups in the community that are making a difference.
